Health, education, legal, and parenting resources

grg.colostate.edu

**A website with helpful resources and information for grandparents
who are raising their grandchildren**

- Health** - learn about physical, social and mental health for you and your grandchildren
- Education** - help grandchildren succeed at school, use internet safely and deal with bullying
- Legal** - navigate the legal system, custodial rights, adoption, and visitation issues
- Parenting** - refresh your skills as you step into the role of parenting again, learn how to co-parent with your adult child, and help grandchild deal with feelings of abandonment

**Overcome barriers, answer questions, find support and enhance relationships
with your grandchildren!**
